

Faculty Development, Engagement & Wellbeing Newsletter Summer 2024

Dear Friends and Colleagues,

The beginning of a new academic year is upon us, and we are thrilled to welcome many new faculty, residents, fellows, and nurse anesthetists into the Brigham. Their arrival injects a fresh energy into our community and marks the start of a vibrant summer! To our new faculty, we offer a warm welcome to all of them, invite them into our New Faculty Group, pair them with a clinical buddy, and invite them to join a peer mentorship group! Those offers are good for those of us who are more established as well.

We have some great news to share about the outcome of your nominating a colleague for Hospital level Awards, along with our own internal awards. We also have a couple summer events to share. And yes, it's time to think about setting up career conferences and reflecting on our progress toward personal and professional goals. We are committed to supporting you in achieving these milestones and exploring new opportunities within our institution.

Please contact any of us if you have questions, ideas, want to be involved or if we can help support you.

Take care,

Kristin, Tara, Adam, and Kim

In this Newsletter:

Faculty Promotions

Chistoph Nabzdyk
appointed as Associate Professor

Please join us in congratulating everyone promoted for their hard work and dedication!

Questions about what the academic promotion tracks are, what is typical for a given level, and want to ask questions about when you might be ready for your own promotion? Please reach out to Kristin (klschreiber@bwh.harvard.edu) or indicate it on your career conference form.

Do you have questions about logistics of the promotions process? Please contact Kim Katz for answers regarding the first steps, required paperwork and letters. She is on L1 in office L142 at the end of the Anesthesia hallway and is happy to give you an overview of the process. Stop by or email her at KKATZ1@PARTNERS.ORG.

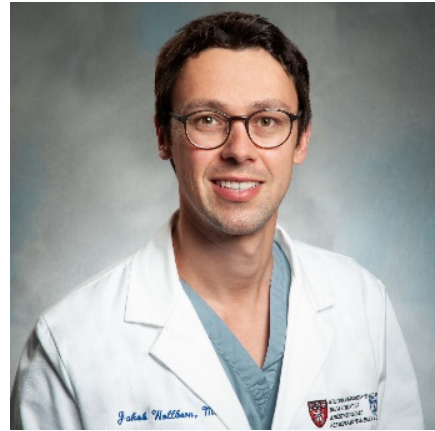

Lauren Cornella *promoted to Assistant Professor*

Asmina Lazaridou
promoted to Assistant Professor

Jakob Wollborn appointed as Assistant Professor

Career Conferences

Career conferences will be **starting in September** and are a great time to check in with your mentor/conference leader about promotions, and other aspects of your career, as well as polish up your CV using EasyCV. Everything submitted last year is still there for you to add to. There is an automatic import from pubmed function as well. This should be a quick and straightforward process this year and your administrative assistant should be able to assist you if anything needs to be added. Please remember that you should fill out the Career Conference questionnaire on the bottom of your EasyCV profile prior to your conference with your Conference Leader. Filling this out helps us know what people need, and can help to structure your conference, since your conference mentor will be able to access it in advance.

If you need an Easy CV account, please contact Nancy Axelrod (naxelrod@bwh.harvard.edu)

New Faculty Development Program

The New Faculty Development Program is entering its 6th year! The New Faculty Group is comprised of faculty in their first two years in our department and meets monthly.

The purpose of this group and the program is threefold:

- (1) to provide an opportunity to gather with other new faculty to discuss challenges associated with transitioning to this new role or new institution,
- (2) to reflect on career aspirations and start to make long-term plans for academic career, and
- (3) to learn about opportunities within the Department for career development (in education, research, administration, etc.).

The content of the program is developed each year based on the interests of the group, but often includes discussions with various leaders from the Department.

This group recently held an end of year celebration at La Morra and had an excellent time!

New Faculty Group End of Year Dinner 2023

Welcome to New Faculty

The Faculty Development team would like to welcome and spotlight some of the new faculty joining us.

More will be coming in the next newsletter.

Dr. Sheila Gokul joins the faculty following their medical/anesthesia training at BWH. Dr. Gokul is most interested in regional anesthesia and acute pain medicine and if she were undergoing induction by general anesthesia, he would choose to listen to the song Claire de Lune! Dr. Gokul calls Dallas Texas home.

Dr. Taylor Maney is joining the faculty following medical school at New York Medical College and anesthesia training here at BWH. Dr. Maney is from Matawan, New Jersey and is most interested in OB anesthesia. If Dr. Maney were to be going down with general anesthesia, she would choose to listen to that classic song 'These Dreams' by Heart.

Dr. Matt Wilson joins the faculty following their medical school and then residency at the University of Louisville. Dr. Wilson is most interested in general/ambulatory anesthesia and if he were undergoing induction by general anesthesia, he would choose to listen to the song 'I Wanna Be Sedated' by the Ramones! Dr. Wilson calls Columbus Indiana home.

Dr. Olivia Sutton is originally from Barrington, Illinois (a Chicago suburb). Dr. Sutton completed her medical school at Cornell and went to John Hopkins for her training in anesthesia. She is particularly interested in chronic pain. If Dr. Sutton were undergoing induction by general anesthesia she is torn and says it depends on the surgical risk. If the surgery were a high risk and high acuity, she would like to listen to one of her all-time favorite songs by either Susanne Sundfor, Simon and Garfunkel, or Mitski. If the case were less serious, she would choose to listen to the song 'Something Sweet' by Rory Wembley (It's a song all about general anesthesia)!

Dr. Kan Zhang considers Tokyo, Japan to be home. Dr. Zhang went to medical school at Tokyo Medical and Dental University, a first residency at Tokyo Women's Medical University and then did a second residency at Cleveland Clinic. He then completed training in adult cardiothoracic anesthesia at BWH and pediatric cardiothoracic anesthesia at Boston Children's. If he were to undergo anesthesia he would want to listen to the song 'Got to be Real' by Cheryl Lynn. Dr. Zhang is most interested in adult and pediatric cardiothoracic anesthesia and perioperative echocardiography.

Dr. Anna Ray is joining the faculty following medical school at University of Miami Miller School of Medicine and anesthesia training here at BWH. Dr. Ray is from Orlando, Florida and is most interested in adult and pediatric congenital cardiac anesthesia. If Dr. Ray were to be going down with general anesthesia, she would choose to listen to that classic song 'Stayin' Alive' by The Bee Gees.

More new faculty features coming your way soon!

Peer Mentorship Groups

Peer mentorship is an excellent supplement to the traditional dyadic mentoring, where peers provide feedback to each other in a small group.

A group of peers mentoring each other can often involves individuals at many career stages, as they come together around a common interest.

These peer mentorship groups are also a great way to learn more about people in other divisions and build community in the department.

This year's Recipients:

Dr. Meera Grover

Dr. Jason Yong

Dr. Nelson Thaemert

Professionalism

This award was established to recognize physicians who foster collaboration, teamwork, and promote an inclusive professional environment, supportive of Brigham and Women’s Hospital core values, culture of respect, and interest in the wellbeing of all employees.

This year’s Recipient:

Dr. Philipp Lirk

BWH Pillar Awards

Category: Clinical Excellence

Awarded to physicians for their outstanding contributions to clinical excellence. This may include compassion to colleagues, interdepartmental collaboration, outstanding patient care, service to the local, national, and international community, commitment to improving quality, or the development or promotion of innovative clinical practices.

This year’s Recipient:

Dr. David Hepner
Award: BWH Pillar Award in Clinical Collaboration

Category: Education

Awarded to faculty educators who have made notable contributions to education, research, and training for students, residents, and/or fellows.

This year's Recipients:

Dr. Art Formanek
Award: BWH Pillar Award as Clinical Teacher

Dr. Mohammed Issa

Award: BWH Pillar Award in Educational Program Leadership

Dr. Srdj Nedeljkovic

Award: BWH Pillar Award as Clinical Teacher

Category: Mentorship

Awarded to faculty for their extraordinary contributions to mentoring of one or more of the following groups: medical students, residents, clinical or research fellows, faculty, and other staff. Junior and Senior Faculty are eligible.

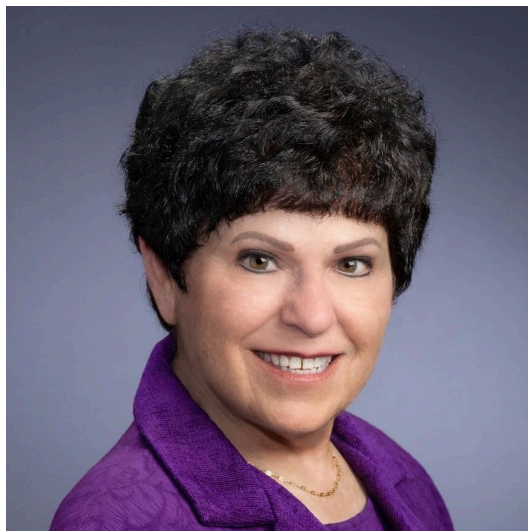

This year's Recipients:

Dr. Sergey Karamnov
Award: BWH Pillar Award in Junior Mentorship

Dr. Michaela Farber
Award: BWH Pillar Award in Senior Mentorship

Dr. Beverly Philip
Award: BWH Pillar Award in Senior Mentorship

Category: Research Excellence

Awarded to research faculty for their exceptional contributions to research excellence. This may include interdepartmental collaboration, community service, innovation, research for under-served populations, promotion of innovative practices, or exemplary leadership in new or existing programs.

This year's Recipient:

Dr. Angela Bader
Award: BWH Pillar Award for Research Collaboration

Category: Faculty Development and Diversity

Awarded to faculty for their significant contributions to foster diversity, equity and inclusion. This may include contributions to the development of a diverse, equitable and inclusive community, as well as efforts to advance faculty development and diversity.

This year's Recipient:

Dr. Morana Lasic

Award: BWH Pillar Award for Faculty Development and Diversity

BWH Excellence in Professionalism Pin

Excellence in Professionalism

The Excellence in Professionalism Pin is awarded quarterly by the Professional Culture Leaders to BWH physicians and research scientists who demonstrate exceptional professionalism in their interactions with others across the institution. Further details on the Excellence in Professionalism pins can be found on the Office of the CMO 'Awards and Honors' section of **Vitals** and on the **external BWH website**.

Please consider nominating a colleague for an Excellence Pin Professionalism in using the link below:

Excellence in Professionalism Nomination Form

This year's Recipients:

Dr. Jason Yong

Departmental Awards

Excellence in Anesthesia

This award was established to recognize the outstanding contributions of faculty and nurse anesthetists who distinguish themselves by consistently exemplifying an extraordinary dedication to the department, their colleagues and/or the community. Each year, we recognize 5 faculty members and nurse anesthetists for their outstanding contributions to the department.

This year's Recipients:

Dr. Caroline Gross

Dr. Philipp Lirk

Dr. Stephanie Yacoubian

Dr. Louisa Palmer

Ms. Inna Zinger

Other Nominees: Dr. Matt Allen, Ms. Lauren Anderson, Dr. Samuel Ang, Dr. Alex Arriaga, Dr. Sascha Beutler, Dr. Felicity Billings, Dr. Evan Blaney, Dr. Scott Chung, Dr. Arthur Formanek, Dr. Meera Grover, Dr. Matt Grunert, Ms. Janet Hall, Dr. Nitin Joshi, Dr. Suzanne Klainer, Dr. Morana Lasic, Dr. Zach Lee, Dr. Dom Mladinov, Dr. Ju-Mei Ng, Dr. Charles Nyman, Dr. Carmen Pisano, Dr. David Preiss, Dr. Gabriela Querejeta-Roca

Mentorship Awards

Each year, our department recognizes two clinical faculty members who have provided sponsorship, encouragement, and support for the career and/or personal development of faculty and trainees. Recognition is for serving as an **outstanding mentor**. Awards are presented annually to recognize one senior (>= 10 years) and one junior (< 10 years) faculty member.

This year's Recipients:

Dr. Morana Lasic

Dr. Louisa Palmer

Other Nominees: *Dr. Sergey Karamnov, Dr. Abram Feldman, Dr. Arthur Formanek, Dr. Beverly Philip, Dr. Chris Connor, Dr. Daniela Lazea, Dr. David Hepner, Dr. Christoph Nabzdyk, Dr. Nicolai Goettel, Dr. Kyle Jespersen, Dr. Lauren Cornella, Dr. Raquel Bartz*

Marina Bizzarri-Schmid Compassionate Care Award

This award was established in 2007 and is “awarded to the member of the Anesthesia community who best demonstrates the attention to detail, the warmth, and the love shown to both patients and colleagues by our dear friend, Marina: Be extra kind to somebody today...be Marina.”

This year's Recipients:

Dr. Eileen Lynch

Dr. Taylor Maney

Other Nominees: (*Trainee*) Dr. Jocelyn Streid, Dr. Katherine Redfield Chan, Dr. Allison Mootz (*Faculty/CRNA*) Dr. Evan Blaney, Dr. Carmen Pisano, Dr. Kate Cohen, Ms. Katie McGowan, Dr. Bushra Taha, Ms. Shadokht Reeder

Upcoming Events

Although summer is a time of great learning, especially for our new CA1s, we do not have formal Grand Rounds in July or August. We are looking forward to an excellent fall program of Grand Rounds! Here is the tentative schedule:

September Grand Rounds

- September 4, 2024:
 - **Dr. Miryam Yusufov-**
 - **Faculty/CRNA Meeting**
 - 5 Minutes of Science from **Dr. Jakob Wollborn**
- September 11, 2024:
 - **Dr. Grace Kim and Dr. Abram Feldman- Kudos**
- September 18, 2024:
 - **Dr. Sebastian Seifert -Fetal Surgery Anesthesia at Boston Children's Hospital**
 - **M&M**
- September 25, 2024:
 - **Dr. David Hepner/Taylor Vega -Health Policy Landscape**
 - **Dr. Maeda and Dr. Allen to present on their Eleanor Miles Shore and Starter Grant award projects**

- **Dr. Ayumi Maeda** – “From Blind to Visible” Transforming Neuraxial Procedures by Artificial Intelligence (AI) assisted, High-Frequency Ultrasound (HSU) and Photoacoustic Microscopy (PAM)
- **Dr. Matt Allen** - Decision Making Regarding Perioperative CPR: Ethics and Evidence at a Time of Transition

Workshops

Recorded Zoom Presentation: Getting Promoted from Instructor to Assistant Professor can be found here: [Promotion and CV Video Library | Harvard Medical School](#)

Zoom Presentation: [Getting Promoted from Assistant to Associate Professor](#)

Date: Monday, July 24, 2024, 3:30pm to 5:00pm

Location: Zoom Video Conferencing

Description: This 60-minute presentation, followed by a 30-minute Q&A, is a great introduction to the Associate Professor promotion process for faculty members at the rank of Assistant Professor contemplating or preparing for promotion. Topics include selecting an Area of Excellence and Significant Supporting Activities, evaluation criteria, and requirements for the dossier. We encourage attendees to review relevant sections of the Faculty of Medicine handbook and/or Promotion Profile Library before arriving to better facilitate engagement and allow more time to ask questions. Sessions are not recorded, please plan accordingly.

Recorded Zoom Presentation: Getting Promoted from Associate Professor to Full Professor can be found here: [Promotion and CV Video Library | Harvard Medical School](#)

Brigham Social Club Wellness Events

The Brigham Social Club is a homegrown group spearheaded by our own Dr. Cathleen McKeating and supported by our administrative colleagues to plan fun ventures for us to come together outside of work, including some truly amazing venues and activities, from skiing, to skating, to semi-competitive sports, to eating and drinking in a variety of amazing settings.

Schedule:

- **Sunday August 11: Softball game with MGH at Daisy Field, Olmsted Park**
- **Saturday August 24: Women in Anesthesia Potluck at Schreiber homestead**
- **Sunday September 15: Resident/Fellow/ New Faculty Welcome Clambake at Community Rowing Inc**

Other Wellbeing Resources:

- Visit our Wellbeing & Support resources **on our Intranet**
- BWH Wellbeing: **Faculty Well-being Resources**

Once again, the BWH Anesthesia Residents, Fellows and Clinician Scientists Sweep the Spring Meetings, well represented on the podium and in leadership, and winning lots of awards...
